NICKI'S NIPPLES?

Are these Miss Minaj's spigots or is she wearing pup pasties?

IN THE interests of EDITORIAL INTEGRITY, we've gotta disclose something, readers. We really don't care for THE RAP MUSIC. Well, apart from Vanilla Ice – he had some funky moves.

But we DO care about BAZZOOMBAS. So when the HIP-HOPPIN' HOOTERS of **Nicki Minaj** POPPED OUT recently at the Made In America Festival in Philadelphia, Pennsylvania, we got EXCITED. And so did our DICKS...and the LADY-DICKS of our female staffers.

But we re-examined the footage from her concert and realised the 35-year-old buxom wench MIGHT be wearing NIPPLE PASTIES.

Which got us thinking...

Why would the Nickster wear RACK-RIVET DOILIES if she thought her clothes would hold them in place?

Was this a CUNNING STUNT by the fleshy femme to get some publicity?

Well, considering Nicki's just released a new album AND she's about to embark on a worldwide tour, then the answer is probably YES.

We welcome
back the
UK's hottest
TV star and her
massive mams!

PHOTOS BY LIPSTICK
SYNDICATION

BEEN wondering what UK glamma **Sophie Reade** has been up to lately? Well, wonder no more – she's appearing topless in this very magazine and she's **HOTTER THAN EVER**.

The former *Big Brother* winner and erotic television star has achieved fame and fortune courtesy of her enormous cans. But she says you don't need **GIANT GAZONGAS** to be a successful pin-up: "They just need to be pert and beautiful."

That said, Soph **DOES** have 30K pups and she's not complaining, even when she's asked to **JAM** them into teeny-tiny bikini tops during her photo shoots.

"I have **SQUEEZY BOOBS**," the 29-year-old Cheshire chick laughed. "They get into all sorts of outfits."

And, thankfully, **OUT** of those outfits soon afterwards. ▶

**'I LOVE
TITS
SO MUCH...
I'M ALWAYS
LOOKING AT
WOMEN'S
BOOBIES!'**

► “These boobs need to be FREE! Why bother with all the fuss? If bras and bikinis aren’t flexible enough, it just gives me the perfect excuse to be at one with nature.”

Not surprisingly, Sophie is a huge fan of hooters: “I LOVE TITS so much – I’m always looking at gals’ boobies! When it comes to fellow models, I think Rosie Jones has beautiful breasts, not too big, not too small.”

What about her own stacked rack?

“My boobs are bigger than ever right now,” she said. “They WON’T STOP GROWING and any weight I put on goes straight to my bum and boozies, so they’ve just got MASSIVE. I can’t find bras to fit me!”

How did sexy Sophie cope with that awful dilemma?

“It’s just easier to go TOPLESS on holiday,” she explained, “no tan lines, no faff – no trouble!”

Indeed! She also had advice to aspiring models on how to keep their funbags in tip-top shape: “I moisturise them every night. If they get any larger, my mates will have to HELP me!”

We’re sure she’d have no shortage of HORNY VOLUNTEERS for that job, starting with the entire *People* staff! 🍑

NIPPIN' OUT

YELLOW SWELL-O

WAG and fashion designer Kristin Cavallari, 31, originally became famous for being rich on MTV's *The Hills*. She then sprogged out three FUCK-TROPHIES for NFL quarterback Jay Cutler. Now, she has her own reality TV show, *Very Cavallari*, and her nip popped out while promoting it...by accident (probably).

KENDALL'S KANS

BUT WAIT, THERE'S MORE

LAST issue, we managed to not have a single Kardashian in the mag. But there was NO WAY we could make it two issues in a row. As soon as we saw these NEW TOPLESS PICS of **Kendall Jenner** in *LOVE* magazine at our local newso, we just had to share 'em with you.

YOU KNOW MIZUNO?

AS ONE of the stars of the 2018 smash hit *Crazy Rich Asians*, **Sonoya Mizuno** is a 30-year-old British actress with a bright future. But she also has a bright (naked)

past – especially when she went FULL-FRONTAL playing a SEX ROBOT in 2014's *Ex Machina*. It's enough to make your FLOPPY DISK become a HARD DRIVE.

SHARING THE LOVE

The freshest flesh on celebrity social media

SHE'S been a yoga instructor, a Hooters waitress, a *Playboy* Playmate, an actress and a TV host. Hopefully, **Sara Jean Underwood**'s next job will be PORN STAR.

HOW'S it feel to own possibly the WORLD'S BEST TITS? **Emily Ratajkowski** has given us a glimpse of what the world looks like from her eyes.

FULL FRONTAL

REAL-TITTY
TEEVEE

SOFIA, SO GOOD

NOT only did the **SMOKING-HOT** Sofia Suescun, 22, win Spain's version of *Big Brother* in 2015, she also won that country's version of *Survivor* earlier this year. She's from Pamplona, where they run with the bulls. We don't speak Spanish too good, but we reckon it was her **TETAS** that won it for her. They're *muy bien*!

MEL'S LAD

IT SEEMS like only yesterday – actually, it was the 1990s – when **Melissa George** was a household name as Angel on Aussie soap *Home And Away*. Now she's 41, we feel

ONE WE MISSED

MILEY'S EGGS!

THE staff at *People Towers* aren't exactly church-going folk. That's probably why we missed **Miley Cyrus** getting SPANKED by a RABBIT for an Easter calendar shoot back in April. We can think of more RESPECTFUL ways to celebrate the resurrection of our Lord and saviour, but none SEXIER. Kudos to the wild-at-heart 25-year-old singer for her efforts.

Y-GARDEN

really OLD, although Mel doesn't look a day over 21. Her age-defying boobs are on display in Aussie film *The Butterfly Tree* but, sadly, her smoo is hidden by fuckin' FLORA!

JAYE SUMMERS

IT'S always a pleasure to watch someone do what they love doing – and Jaye Summers **LOVES ROOTING ON FILM**. “Without the porn industry I wouldn't have a sex-life,” giggles the 24-year-old shy type from North Carolina. “That's how I have fun, it's my entertainment. It's why I love my job.” She particularly enjoys the **TIPS** she gets at work every day.

ALMOST HUMAN

STATUE BRO?

Punters go nuts with public sculptures

CLOSE NEIGHBOURS

WHEN we think of NEIGHBOURS, we think of the likable cast from the long-running Aussie soap. Well, the neighbours who appear in ***Erotic Affairs Vol. 2: The Good Neighbor*** are VERY SIMILAR to Toady, Charlene the mechanic and their pals...only more NAKED and RANDY AS FUCK!

When a bored housewife finds her husband's spy drone, she decides to put it to PERVY GOOD USE by peeking on the sexual antics of the folks in her street including **Jill Kassidy** (left),

Moka Mora, **Sheena Ryder** and **Cherry Torn**.

Like the chonk-mad chick who's BANGING the postal worker while her husband's at work or the stay-at-home father who's hooked up with the HOT YOUNG FILLY from next door.

The fun gets even STEAMIER when the housewife decides to reveal her sneaky activities with her hubby's horny mate.

To quote the great Barry Crocker, "And that's when good neighbours become good friends...and EVEN BETTER FUCKERS!"

Errrr...maybe the Crockster didn't sing that last part...

FORMULA ONE driver Marcus Ericsson was lucky to WALK AWAY from a 350km/h CRASH during a practice lap at the Italian Grand Prix. The 27-year-old Swede attempted to stop for the opening corner of the Monza circuit, but the drag reduction system on his rear wing SHIT ITSELF, causing him to lose control of his \$13 million vehicle and flip it THREE TIMES. Medics STICKY-TAPED Ericsson together and he placed a HEROIC 19th in the real race a few days later.

Does this mean
I've failed my
driving test?

BREAST PROTEST EVER!

BRAVE women from across the planet recently bared their GLOBES to demand the right to go FULLY TOPLESS in PUBLIC if they want to. The forward-thinking sheilas marched in "Go Topless Day" parades in multiple cities across the USA, as well as far-flung places like Freiburg in Germany, Seoul in South Korea and Valparaiso in Chile. Speaking of CHILLY, from the look of those stiff nips it must have been cold out.

OLD FUCKERS

IF YOU thought you were sick of your missus, spare a thought for 108-year-old Masao Matsumoto. The Japanese SHAGGER has been married to his 100-year-old blushing bride, Miyako Sonoda, for 81 BLISSFUL YEARS. *Guinness World Records* has declared them as the OLDEST LIVING MARRIED COUPLE, with a combined age of 208 years and 327 days.

BOOZE COOZE

Alcohol was invented
12,000 years ago when
tribesmen started
growing crops and
accidentally stumbled
upon the idea of
fermenting grain.
Cheers!

BA
HO

HAPPY HOUR!

Naked gals
necking alcohol?
We'll drink
to that!

W

E LIKE a big head on our schooners of beer and an even BIGGER BUST on the barmaids serving us. Actually, as long as the barmaids have HUGE TITS we don't care WHAT they serve us — as long as it's ALCOHOLIC. So crack open a can of cider, a bottle of bubbly or a GOON SACK and enjoy HAPPY (ENDING) HOUR while drunkenly staring at these booze-lovin' babes! 

BOOZE COOZE

Barley-based beer can be traced back to Mesopotamia in what's now the Middle East when Sumerians necked the amber ale 5000 years ago.

The very earliest documented hooch is a 9000-year-old Chinese brew made from rice, honey and fruit.

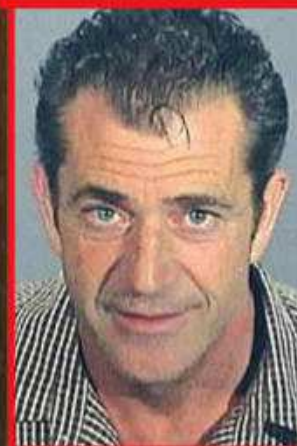

Wasabi vodka may well be the strangest flavoured liquor of all time. We struggle with just a hint of the chilli-like substance on our sushi. Necking a glass of vodka infused with it sounds a bit OTT.

LUSH LEGENDS

These celebs liked a drink or 12

Oliver Reed was a part-time actor and a full-time drunk. He died in a pub in Malta after running up a huge \$500 bar tab. That's one way of avoiding having to pay the bill.

Sometime-Aussie movie star **Mel Gibson** used to have a troubled relationship with the demon drink. After being arrested for DUI in 2006, he famously told a female cop, "What do you think you're looking at, sugar tits?"

The drunkest country in the world, according to the World Health Organisation (litres of alcohol consumed per capita per year) is Belarus, followed by Moldova, Lithuania, Russia and Romania. Oz is only 19th on the list.

Pro wrestler **Andre The Giant** couldn't always handle his massive appetite for booze. One night in a Mexican wrestling ring – following an all-day tequila-drinking sesh – Andre sat on his opponent Bad News Brown and promptly SHAT all over him!

Hollywood comedian **WC Fields** loved the piss almost as much as he hated women, which probably explains this quote: "A woman drove me to drink and I didn't even have the decency to thank her." Funny cunt.

Rock singer **Janis Joplin** regularly went on stage nursing a bottle of Southern Comfort. To thank her for the ongoing promotion of the sweet whiskey-based liqueur, the company gave Janis a free fur coat.

BOOZE COOZE

Depending on who you believe, the Yank "sport" of BEER PONG began in Dartmouth College, New Hampshire in the 1950s...or Bucknell Uni in Pennsylvania in the 1970s. Everyone is too drunk to be certain.

CLAUDIA VS ELLE?

MODEL
MISBEHAVIOUR

FOR the sake of workplace harmony, can you settle the argument we're having in the workshop about who's the hotter model: Elle Macpherson (right) or Claudia Schiffer (left)? We're gonna need the best nekkid photographs of both in their prime to get it sorted, once and for all.

The Boss, Qld

If we really HAD to choose, Bossman, we'd kick Clauds outta bed first. The chassis that Elle's rocking gives us a STIFFY that'd POKE HOLES through a CHEAP DOOR. Mind you, it's always been a filthy fantasy of ours to have a hot German sheila TALK DIRTY to us...

THINGS THAT LOOK LIKE GENITALS

"I WAS installing a kitchen in some rich fella's house and he had this fuck-off-big chandelier," writes **Nath of Banora Point, Qld**. "Giant prick, if you ask me."

Send your letters and pics to: The Keeper, c/- Animal House, People magazine, GPO Box 4088, Sydney, NSW 2001. Or email us at people@bauer-media.com.au (with Animal House in the subject line).

THE BOLD AND THE BOOBIEFUL

I RECENTLY got laid off from work and have a lot of spare time now. I've started watching a lot of daytime TV. Has the chick who plays mega-bitch Brooke in *The Bold And The Beautiful* ever gone starkers for the camera? If so, it'd make

a guy currently between jobs very happy.

Fitzy, Vic

Katherine Kelly Lang, aka Brooke from TBATB, has done nude stuff. It was in a straight-to-video 1996 film called *Subliminal Seduction*. Very bold indeed!

BROOKE'S BAPS!

HERE COMES HUBBY

WHILE investigating photo ideas for my wedding I came across the bizarre trend of newly married couples posing for a fake blowjob. I thought you guys might wanna know about it.

Kelly, Tas

Know about it? That's a photo of our Uncle Barry on his special day. You should have seen how he and his significant other EXCHANGED RINGS, too! There wasn't a dry seat in the house, we can assure you.

MARRIAGE SUCKS

HE HAS THE POWER

OI, OI, OI!

ELON Musk can fuck off. I reckon I've figured out the solution to the NATIONAL ENERGY CRISIS. Remember back in the 1980s when Mark "Jacko" Jackson was spruiking batteries? He said it himself, "No battery lasts longer."

DB, SA

We thought a BROWNOUT was just a BLACKOUT where you SHIT YOUR PANTS, so we're no experts on energy policy. But at least you have a PLAN, which is heaps more than what our politicians have!

SOPHIA, SO GOOD

CAN you blokes please do a bigger feature of Sophia Leone in the mag? She looks like a young Kim Kardashian (left). Just the one pic (Full Frontal, Sept. 17) wasn't enough.

JP, NSW

Sophia's a bottler, isn't she? We see what you mean about a young Kimbo. We'll try to feature more of Sophia soon in the mag.

MBSHELL!

Fiery pocket rocket
is ready to SEXplode
all over you!

PHOTOS BY HARD X

PETITE brunette stunna **Lily Jordan** has only been making adult movies for two years, but she's already causing a HUGE STIR...mainly in our PANTS! We were stoked to get this mind-blowing pictorial of her – and even more stoked to chat to the SEX-KEEN SIREN. ▶

► **HELLO, Lily. How'd you get into the X-rated bizzo?**

"The first job I had after high school was at a weed dispensary and a bunch of porn stars would come in. They'd all tell me I should do fuck flicks and say, 'You look like this porn star. You would be really good at it.' So I always had that idea being pushed in my head. I was always considering it. However, I never thought I would do it."

Until you actually did and now you're a superstar. How are you finding the career so far?

"I love it so much. I thought it'd be creepy, but it was totally the opposite. It's way better than I thought it would ever be. I hope I'm always in love with it."

When did you feel you really "clicked" in your scenes?

"It was my second scene. We went to this really beautiful mansion and everyone was so nice. I was just having fun – I love being naked, having hot sex and not being judged for it. It was just awesome."

There must have been nerves, but.

"Oh yeah, but I loved the acting part. It was the most acting I've ever done in a scene. I was a horny girlfriend and I shipped myself in a box to see my boyfriend."

How do you like to go the tonk?

"I'm into rough sex and being dominated. That turns me on."

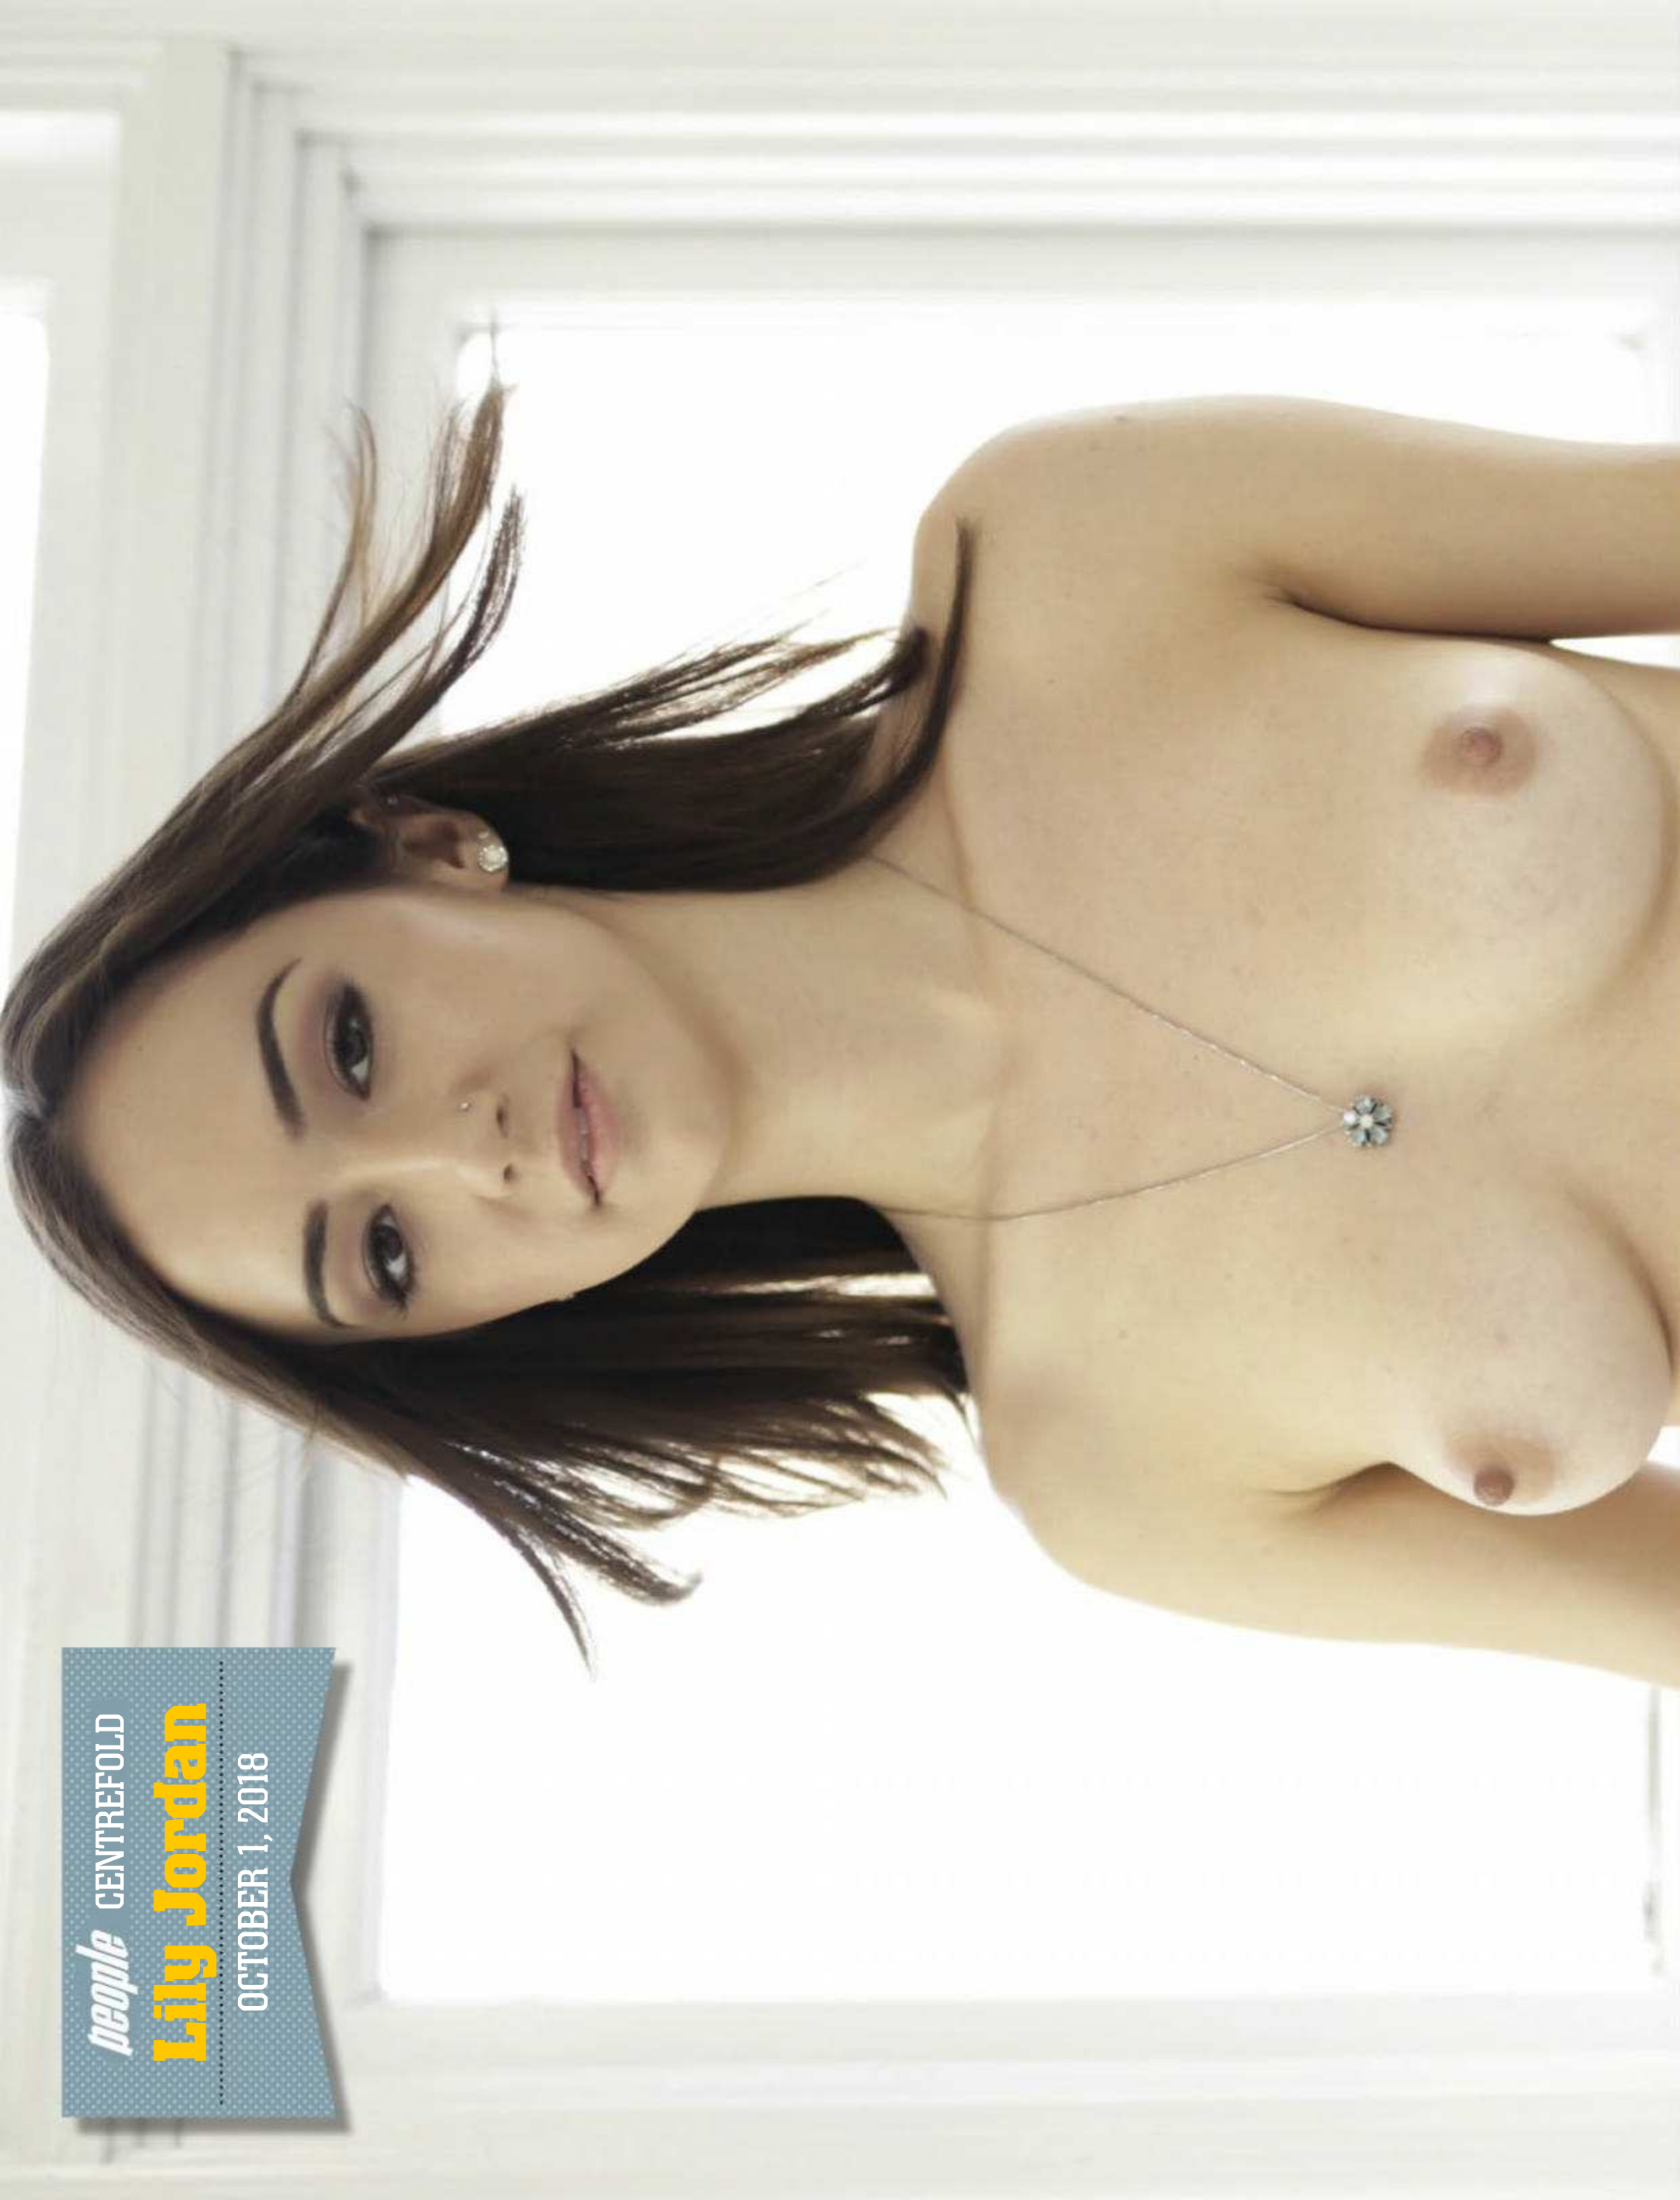

You seem to be a fan of blowies in your scenes. Do you have a special technique?

"Not really. I just like giving head. I go with the flow and do whatever I want."

And God bless you for that, mate.

JOKES

The pearly gates

A TRAIN smashed into a netball team's bus, killing them instantly. They all found themselves waiting in a queue at the pearly gates in front of St Peter.

He asked the first woman, "Tiffany, have you ever had any contact with a penis?"

Tiffany giggled and replied, "I once touched the head of one with the tip of my finger."

St Peter said, "OK, dip the tip of your finger in this holy water and pass through the gate."

He asked the next sheila, "Jennifer, have you ever had any contact with a penis?"

"I once fondled and stroked one," Jennifer replied with a wicked smile.

St. Peter said "OK, plunge your hand into the holy water and pass through the gate."

BEST JOKE

Best job ever

AN UNEMPLOYED bloke walked into his local job centre in Sydney and saw a sign on the wall asking for applications for a position as a gynaecologist's assistant.

The fella thought he could do that, so he walked up to the front desk and asked for further details.

The receptionist pulled out the file and said, "The job entails getting the female patients ready for the gynaecologist. The successful applicant will be required to help the women out of their underwear, lay them

on an examining bed and carefully wash their private parts. Next, they'll apply shaving foam and gently remove the patients' pubic hair, before rubbing in soothing oils so they're ready for their examination. The annual salary is \$100,000 and you'll have to go to Darwin."

"Fair enough," replied the bloke. "Is that where the job is?"

"No, young man," said the receptionist. "That's where the end of the queue starts."

"Darling," began the husband, "you mean the world to me and have made me happier than any man has the right to be. However, there's one thing you could give me."

"What is it?" asked the wife.

"A blowjob!"

The wife sat back and thought about it for a moment, then said, "I've never given you a blowjob because I didn't think you would respect me afterwards. But seeing as we've been together for 50 years, surely you would still respect me, so I'll give you one."

JESSE ROUGHTON
'I LIKE MY COFFEE THE SAME WAY I LIKE MY WOMEN: WITHOUT OTHER PEOPLE'S DICKS IN IT'

Suddenly, there was a huge commotion, with one chick pushing her way to the front of the line.

"What seems to be the rush, my dear?" St Peter asked when the queue-jumper finished shoulder-charging her way to the front.

"If I'm going to have to gargle that holy water," said the slutty-looking blonde, "I want to do it before Mary O'Donnell washes her arse with it!"

Once a sucker

A MARRIED couple were celebrating 50 years of marriage. After going out for a wonderful dinner followed by dancing and a walk along the beach, they were sitting in their loungeroom reflecting on the past half century.

"You have given me everything that any woman could desire," the wife beamed. "Three beautiful children, a wonderful home and more overseas trips than I can count. If there is anything I haven't given you, all you need do is ask."

NAAZAKAT WALI
'MY BOYFRIEND TRIED TO MAKE ME HAVE SEX ON THE HOOD OF HIS HONDA CIVIC. I REFUSED. IF I'M GOING TO HAVE SEX, IT'S GOING TO BE ON MY OWN ACCORD'

The bloke unzipped his trousers and flopped out his tool.

His wife pulled out her false teeth, slowly got to her knees and gingerly took the wrinkly old thing in her hand.

Despite her lack of oral experience, she gave it a red-hot go and ended up giving her hubby a cracking gobbie.

Seconds after it was over the phone rang, so he got up and answered it.

The husband listened for a few seconds, then held the receiver towards his wife and said, "Here, cocksucker, it's for you."

AFTER God created Adam, He saw his creation was lonely all by himself in the Garden of Eden.

He visited Adam and said, "I have a plan to make you much, much happier. I'm going to give you a companion, a mate who will be faithful, loving and obedient. Someone who'll make you feel wonderful every day of your life."

"That sounds great," Adam said.

"It is...because it was MY idea," replied the Lord a bit huffily, then he added, "But there's a catch. In order to make someone so special, I'll have to take one of your legs and one of your arms."

"Jeez, that's a pretty high price to pay," said Adam after thinking for a while. "What can you knock up using just one rib?"

SCORCHED EARTH

Eagle Entertainment, rated MA, out now, RRP: \$29.95 (DVD/Blu-ray)

What's the guts? In the future, society has collapsed due to an environmental catastrophe. The survivors have re-established civilisation, but it's a dangerous world where bounty hunters roam the land hunting eco-criminals.

The best of the best is Attica Gage who's after the bounty of a lifetime. However, her attempts to infiltrate the gang of vicious outlaw boss Thomas Jackson go haywire when Attica suddenly develops a conscience and discovers there may be more to life than mere money.

Anything else? Former mixed martial arts superstar

Gina Carano continues to kick arse, although nowadays it's in fun flicks like *Scorched Earth*. If you enjoy westerns and sci-fi flicks, then you'll dig this B-movie mash-up. Fans of the *Mad Max* series will appreciate this apocalyptic action-fest, too.

Final word: Just call Gina "Mad Maxine".

THERE are FIVE DVDs up for grabs courtesy of our wild mates at Eagle. To enter, **just tell us IN ONE SENTENCE**

BILL LAWRY: Chasing A Century

Hardie Grant, out October 1, RRP: \$45 (NZ: \$49.99)

What's the guts? One of the legends of Australian cricket is celebrated in *Bill Lawry: Chasing A Century*. The former Test captain and run-making machine is remembered equally for his relentless, dogged style of play and his excitable style in the commentary box. The book is chockers with tales from colleagues, players, cricket writers and fans, painting a fascinating picture of a great man.

Anything else? Footy season is nearly over and summer is nearly here, so it's the perfect time to buy this book as a birthday or Chrissie present for the cricket tragic in your life. They'll learn everything about Bill from his debut in the Aussie Test team in 1961 till his retirement in May of this year as a beloved commentator on the Nine Network.

Final word: A true Aussie icon!

OUR mates at Hardie Grant have sent us THREE copies to hand out. To win, **just tell us IN ONE SENTENCE why Bill rocked the microphone.** The five best answers will get a book. Mark your entries "Bill Lawry: Chasing A Century comp".

Leverage In Death

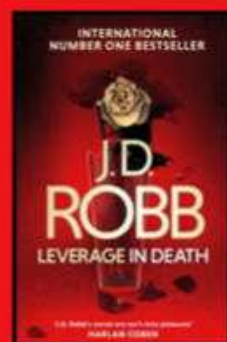

By JD Robb

Hachette, out now, RRP: \$29.99

What's the guts? When loving husband and father Paul Rogan uses a bomb to blow up his office, killing 11 co-workers, everyone is at a loss to understand his motives...at first. That's until his family are found tied up at home and the cops realise Paul had no choice: either bomb his office or watch his family be killed!

Anything else? Lt Eve Dallas and her billionaire hubby Roarke know the violence has only just begun. The scum who masterminded the bombing are utterly ruthless and will no doubt organise another mass murder...unless Eve and Roarke can find them and stop them! JD Robb has written a series of crackin' novels featuring her crime-solving couple and *Leverage In Death* is her best one yet.

Final word: This thriller will blow you away.

DOUBLE DATE

Eagle Entertainment, rated MA, out now, RRP: \$29.95 (DVD)

What's the guts? Dating is fraught with disaster, especially when the chicks you're trying to hook up with turn out to be psycho killers!

They meet stunning sisters Kitty and Lulu at a pub and things seem to be going to plan when they head out on a double date. But the sinister siblings have plans of their own for Jim and Alex...involving blood, sharp knives and lots of swearwords.

Anything else? Brit flick *Double Date* is an

underrated horror comedy full of jokes, gore and hot babes. One critic called it "a riotous low-budget gem" while another said the film was "an evening of debauchery, hilarity and ultimately carnage". Well, that sounds like a typical Friday night to us.

Final word: Dating can be murder.

Made any amateur porn vids lately?

"I've been a little busy moving and stuff – nothing too sexy, I'm afraid. There's always time for fun; just not to document it."

Would you ever do a pro X-rated fillum?

"Maybe – I'm thinking it could be fun."

What sex scenes froth your flange?

"Solo women and solo men, too! I don't know why, but that's it. I also like those fucking machines in porn; they look fun."

Do you enjoy sending nude selfies?

"Yes, I do. Some of us are born teasers."

When did you first realise you were an exhibitionist, Lexi?

"I think it's about expression, I'm quite a shy person in general, but I don't have a problem with people seeing me naked or drooling over my body. That's fun to me."

MISS FOX | 23

What have you been up to recently?

"Roleplaying, which leads to some fun scenarios, like the uni student who's failing and needs to have a private 'study session' with her lecturer. That's my role partner, who dishes out any punishment he sees fit for my bad behaviour. We also both get rewards."

Ever roleplayed with more than one other person?

"No. I've thought about it...and with the right people I may choose to do so."

Do you ever act as the dom?

"I'm 100% sub. I've tried being more dominating, but it's not something I can do unless I practise. Trying to be more dominant will take some skills."

LIL | 26

Enjoyed any outrageous sex antics?

"I'm a kinkster so outrageous is what I do; from wax to paddles. The most exhilarating would be electro-play. I'm a submissive. It was very interesting to have two people so in tune to my body and the reactions I had to the electricity. I'd love to do it again."

Have you had a lot of group frolics?

"I'm non-monogamous and pansexual: I tend to be a third in threesomes with couples I know who wish to explore the woman's bi side."

Do they need much guidance?

"I probably need more guidance as I haven't had much experience in threesomes. I more go into kink than sex itself."

How did you and your fine thatch of pubes feel posing for the camera?

"I was a bit nervous at first, then I was more comfortable."

Why do so many tourists feel comfy stripping for us when they come to Oz, ya think?

"I'm not sure. Maybe 'cos they're far from home and think less people will be able to see them in the magazine."

Will you tell people back in France you've done it?

"Not everyone. I live here now anyway."

Do you swim naked in the ocean now you live near the sea?

"No, never all naked. Sometimes topless."

Any differences in the bedroom between French and Aussie men?

"I don't think you can judge a man in bed from which country he come from or which culture. I've had great Frenchmen and great Australians in the bedroom."

DAISY MAE | 24

Fitzroy | VIC

What's the hot goss on your most recent threesome, Daisy Mae?

"It was with two girls and was pretty fun."

How did you end up in a smoo sandwich?

"It was a regular girls' night in watching Netflix and drinking wine, until one of the girls spilt it all over us and we had to take off our clothes."

How unfortunate.

"It was a cold night, so we cuddled under blankets and started playing with each other. I was playing with their pussies while one played with my boobs and the other was kissing me while touching my snatch."

Is that your favourite type of threesome?

"Sure...there's enough pussy for everyone."

What's the maximum number of cocks you could cope with?

"I think the most I could handle is five: both hands and all my holes. Any more than that and they'd have to play with themselves. I once had three and even then my hands were busy."

Tell us about your ink, mate.

"I started getting tattooed when I was 18. About 90% has been done by a tattooist in Nowra. I'll have an idea, but I let her do her thing."

What's your favourite tattoo?

"My back and butt piece. So far, it's taken about four full-day sittings, starting with my butt, which was done in one day. I love it so much because it accentuates my curves and so much work has gone into it. Time, pain and money."

Any parts of your body you won't get inked, Lilith?

"Yes, plenty. I'd never tattoo my boobs, the centre of my face – (including eyeballs) – and I'm too chicken to tattoo my throat."

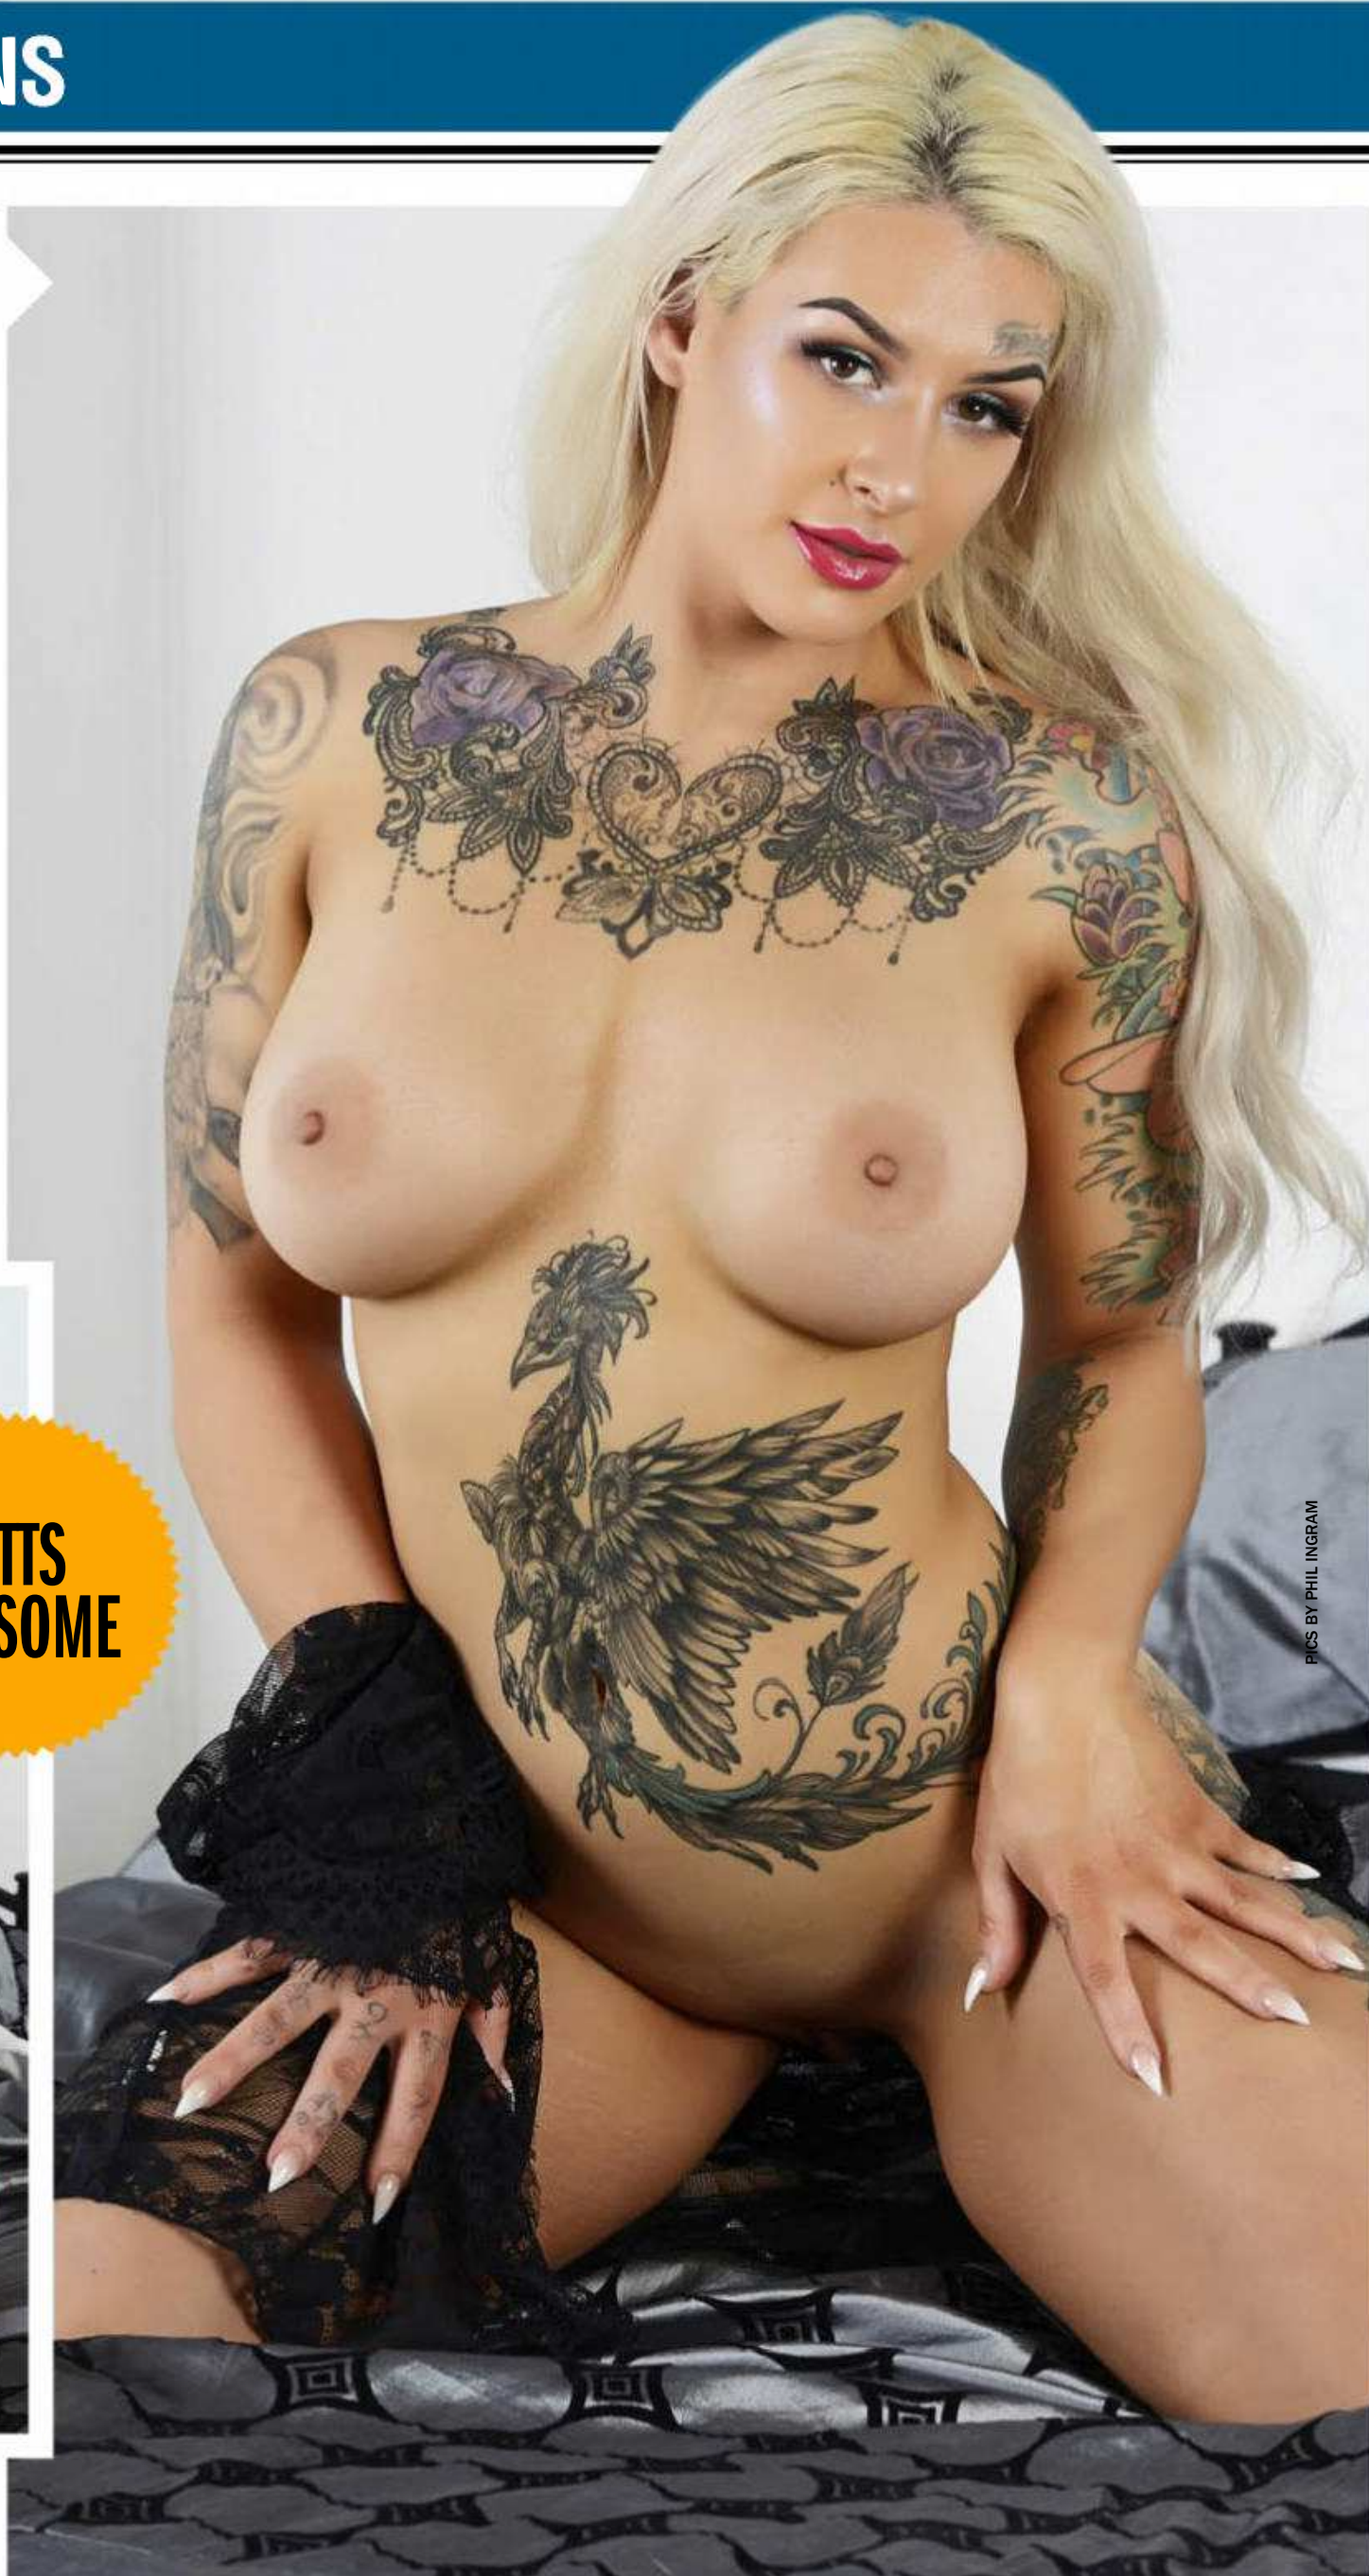

Did the tattoos make you want to display your naked body?

"Yes, 100%. I see my ink as pieces of art that need to be shown off."

And you show them off well.

EVER used food during sex?

"Not too much – I've tried stuff like coating a guy's dick with Nutella and honey, then licking it off, but I actually felt a bit sick doing it due to sugar overload. I've had more success with fruit and veg."

Do go on, Donna.

"I've masturbated with a banana and also had my boyfriend stick a lubed-up carrot up my bum while he fucked me. Once, on a really hot summer's day, we were eating watermelon and I rubbed a slice on my pussy lips, then let my boyfriend lick up the juice. That felt really nice."

Ever gone the tonk outdoors?

"Not with my current man, but I once rooted an ex in an aluminium dinghy while floating down a river."

They call that American Beer sex.

"Really? Why's that?"

Because it's fucking close to water.

"Haha! That's great. I like American beer, though, especially Budweiser."

Aperitif, anyone? Nah, we'd rather have A PAIR OF TITS!

FOR those few uncultured boozehounds among you who don't know what an APERITIF is, it's an alcoholic beverage that you neck before a meal to "stimulate the appetite". We dunno about you lot, but watching Euro-glam model **Mila Azul** sipping on a glass of Calvados brandy has stimulated our SEXUAL APPETITE!

HEYA, Mila. Does a few drinks help relax you after a hard day's nude modelling?

"Oh yeah. Once the clothes go back on, I'm out the door and heading to the NEAREST BAR to catch up with friends. I'm a very sociable person, especially after a dozen Camparis and soda."

Swanky. What kinda drunk are you, mate?

"LOUD! My voice goes up several decibels and I become the life of the party – or, at least, I THINK I am. Sometimes, my friends tell me the next day what crazy things I got up to the night before."

Give us an example.

"The worst was last year when I was leaving a bar pissed as, and went over to a cop car and PULLED UP MY SKIRT!" ▶

► **You flashed your undies at 'em?**

"Even worse! I wasn't wearing any knickers, so I gave them a great view of MY VADGE! Luckily, the cops were cool about it. They got out of the car, politely told me off and urged my friends to take me home. Which they did. I felt so mortified the next morning – I could've been ARRESTED."

Maybe the cops liked what they saw.

"Perhaps. My friends told me that one policeman was a butch brunette chick, who seemed quite interested in what I had on offer. Haha!"

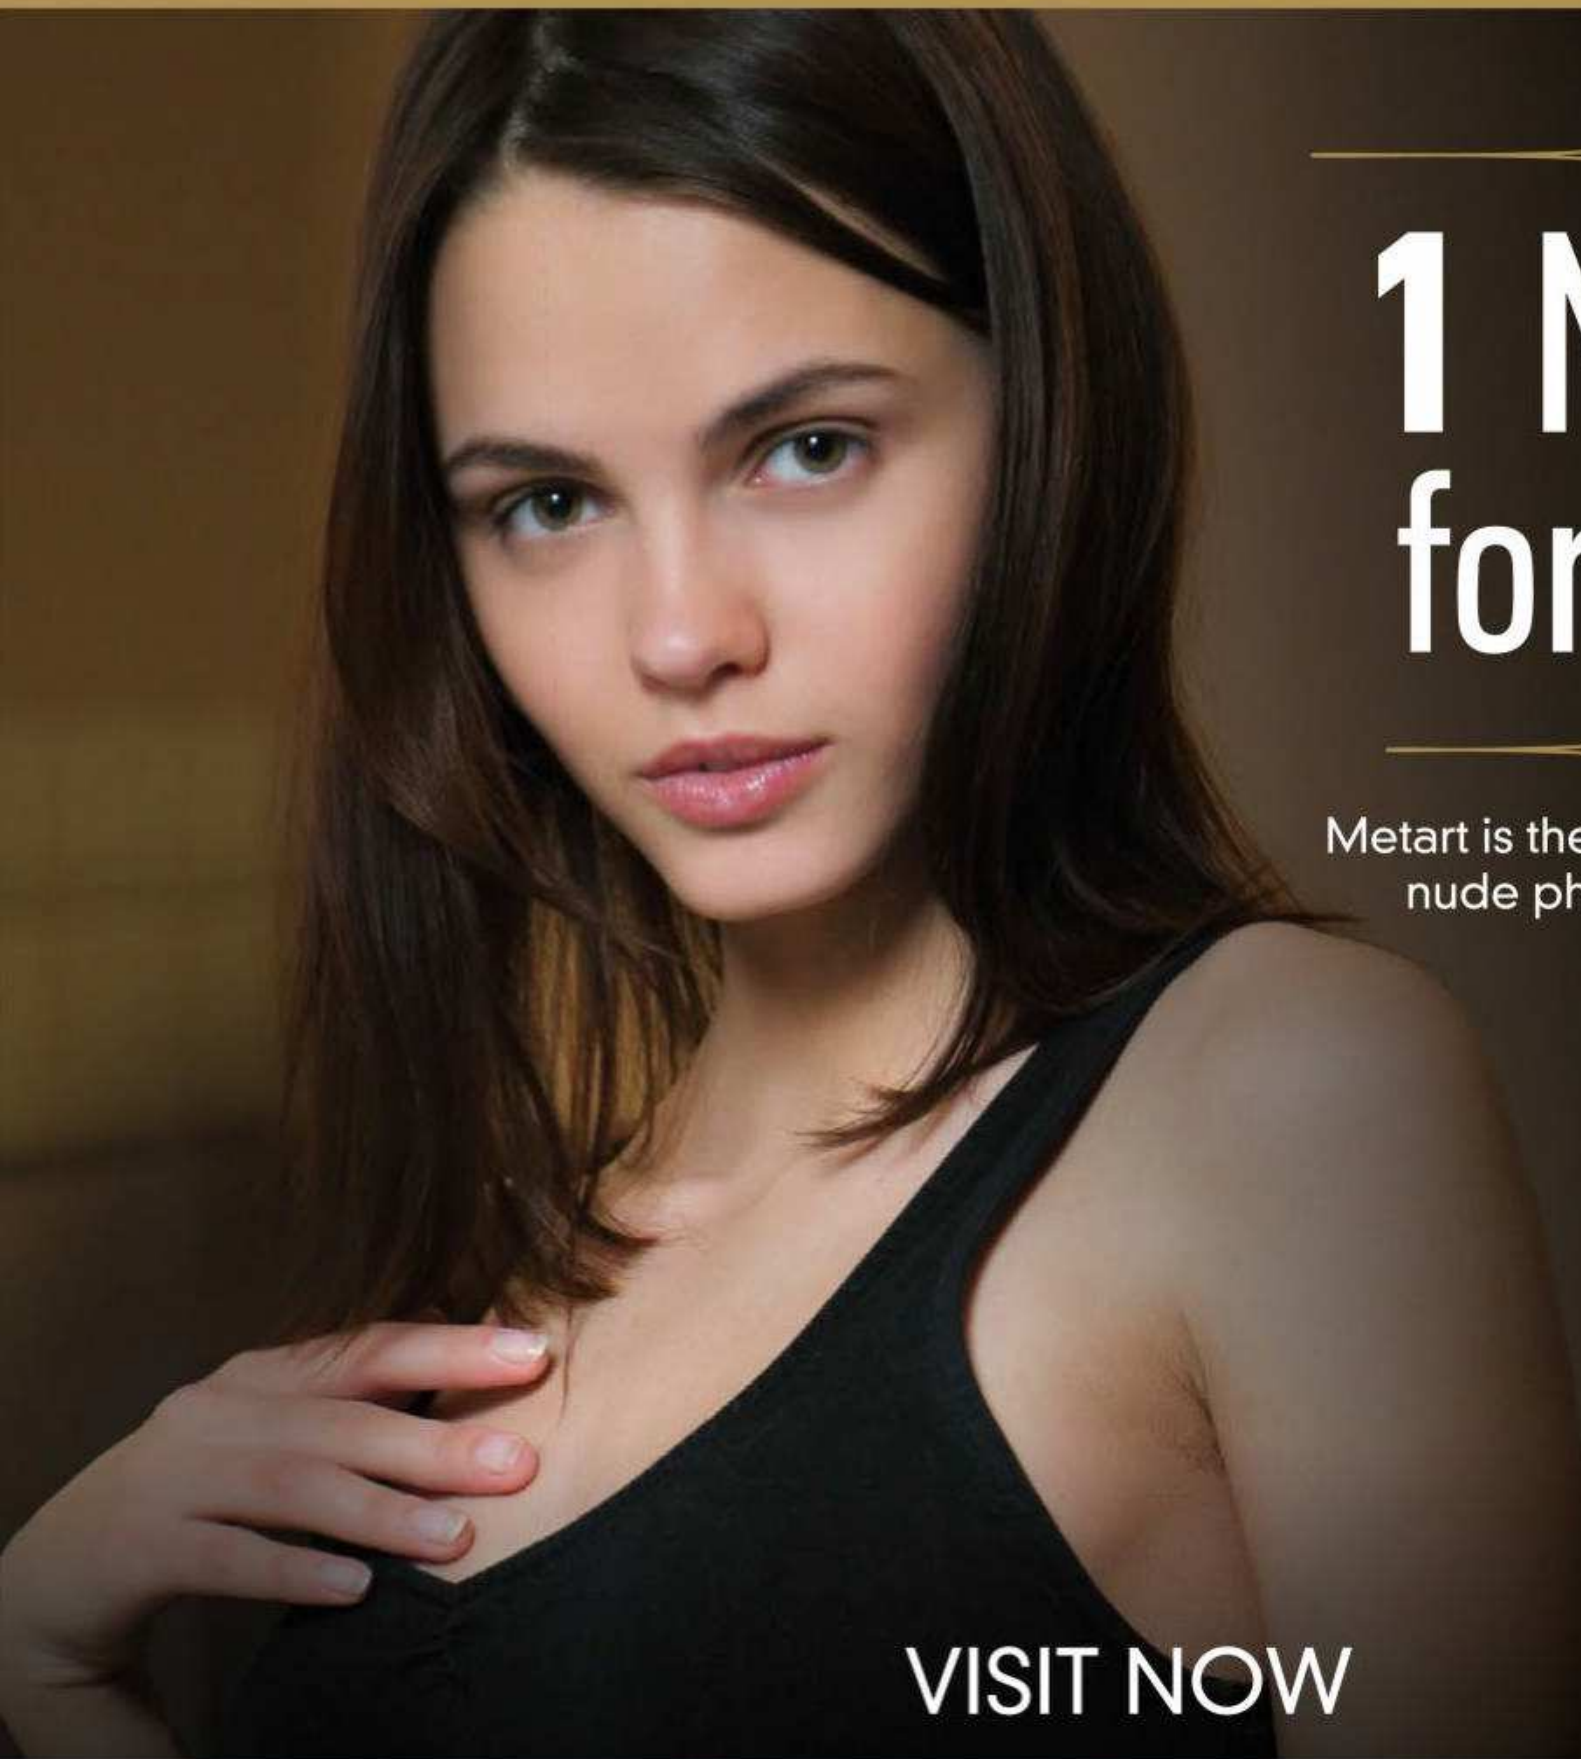

Do you get horny when pissed?

"Hell, yeah! I get very RANDY when I'm with my boyfriend. We've had more than one DRUNKEN FUCK walking home from the bar to our flat. Thank goodness there's a bus shelter on the way where we can SHAG and not be disturbed."

TRUE BLUE CONFESSIONS

SOMETIMES, good manners bring their own reward. Recently, it rewarded me with a wonderful oral sex experience that had a VERY HAPPY ENDING indeed!

I'm a bank teller and I was STOKED when Amy – a gorgeous blonde with huge breasts – started working alongside me.

I saw my workmates trying to crack onto her without any success, so I decided to take another tack. I was polite but kept my distance and rarely spoke to the SPUNK unless she asked me something work-related.

Two weeks later, I was walking into the office when I spotted Amy behind me, so I held the door open for her.

"Oh, it's nice to see a man who was brought up a gentleman," she giggled, before adding, "so what's the catch?"

"There's no catch," I said, "although if you walk in first, I get to perv on your BUM."

Amy laughed at my CHEEKY comment and she WIGGLED HER BUTT as she strutted inside. I made my move, caught up to her and invited her out for a drink.

She smiled and said yes. We went to a pub after work and she told me the only reason she'd agreed to come along was because I was polite and hadn't tried to hit on her, unlike the other blokes.

WOOD MANNERS

"I'm attracted to polite guys," she smiled, touching the BULGE in my pants. "Want to come back to my place?"

I nodded dumbly and 15 minutes later we were in her flat and making out on her couch. Amy reached down my pants and started to FONDLE

'AMY REACHED DOWN INTO MY PANTS'

MY TOOL while I fumbled with her work shirt and bra to play with her BIG BOSOMS.

Eventually, she freed my aching hardness and went down on me, giving me a GREAT JOY I'll never forget.

Amy took her sweet time and showed she was an expert.

Afterwards, we kissed and cuddled, but I thought I'd messed up when I sneezed on her neck. But I cleaned her up with some tissues, then made Amy a cup of coffee.

"Oh my," she purred, "you ARE a gentleman."

LOVE IS IN THE AIR

I FLY for a national airline – I won't say which one, obviously – but I have to brag about a recent MILE-HIGH INCIDENT I had with a stewardess.

Casey is Norwegian, six foot tall with legs RIGHT UP TO HER BUM and breasts that have probably been assisted by a plastic surgeon, but are magnificent anyway.

We're dating and it's been going really well – the sex is AMAZING. However, it's hard to keep our relationship professional when we're on the same flights. Which led to our recent risky escapade.

We were mid-flight and my co-pilot had gone for a call of

'CASEY ENTERED THE COCKPIT'

nature when Casey entered the cockpit. She shut the door and dived between my legs.

Despite my protests she started FELLATING me while I kept a nervous eye on the plane's controls.

I could feel my DESIRE GROWING, so I asked Casey to hurry. She increased her pace and I was soon enjoying a wave of ecstasy.

Casey straightened her outfit just as my co-pilot re-entered the cabin.

"So...you'll be wanting a coffee then, Captain?"

"Er...yes. Thanks, Casey," I stammered while hastily zipping up my fly.

Mr Mile High, NSW

PLUMB THE DEPTHS

I'M IN my early 40s and haven't done much socialising since my divorce eight years ago. But my friends kept telling me to get back on that horse, so last month I went to my local pub with them.

We were having a nice time and it got even better when I met Rod, a good-looking plumber around my age.

We clicked really well and arranged to go on another date the next night.

We had a lovely meal at a Thai restaurant, then I invited Rod back to my house.

I gave him a beer and I poured a glass of white wine for myself.

We sat on the couch and chatted, which soon turned into a MAKE-OUT SESSION.

Rod's kisses sent tingles down my spine as he ran his

'I MOANED COURTESY OF HIS SKILFUL FINGERS'

fingers up my bare legs and UNDER MY SKIRT. I wasn't wearing panties, which made him smile. He kept on going and soon I was moaning courtesy of his SKILFUL FINGERS.

I was desperate for his manhood, but he kept teasing my pleasure zone until I'd had TWO POWERFUL CLIMAXES.

After I'd recovered my senses, I pulled down Rod's pants and lowered myself on his beautiful big PRICK.

He had tremendous STAYING POWER, so we made love for what seemed like HOURS before he finally groaned and collapsed in my arms.

I don't know where our relationship is going, but I'm delighted right now to call Rod my boyfriend.

Patty, WA

ENJOYING THE VIEW

MY WIFE and I were on a holiday to South Oz and were driving down Eyre Peninsula when we came across a cool rock formation called Murphy's Haystacks. They really DO look a lot like haystacks.

We stopped to take a few snaps. I told Hayley to "act sexy" against one of the rocks and she responded by removing her gear and posing in her BRA AND PANTIES.

As I took snaps, Hayley's poses got RUDER. It didn't take much encouragement to get her to STRIP NUDE.

We were the only people around, so I grew bold and suggested she start PLAYING WITH HERSELF.

Hayley was soon breathing heavily and quickly brought herself to ORGASM.

I couldn't control myself any longer, so I placed the camera on the ground and undid my jeans. Hayley turned around and BRACED HERSELF against the rocks while I TOOK HER FROM BEHIND.

We made passionate love for several minutes before I finally came. Hayley did the same soon afterwards.

We barely had time to get our clothes back on before an elderly couple shuffled into view

'SHE BRACED HERSELF AGAINST THE ROCKS'

from behind one of the big rocks. We said hello and headed back to our car.

I was just about to hop in when the old fella sang out, "Hope you two LOVEBIRDS enjoyed yourselves!" And the pair of them cackled.

I guess sound travels quite far in the countryside, eh?

Embarrassed as all hell, we peeled out of there, burning plenty of rubber in the process.

What's the best compliment you've ever received about your bottoms?

Eva: "I've had many men say it's my best physical feature, so that's nice."

Silvia: "An ex-boyfriend once told me he dreamed about my arse every night for a week straight. Which is a compliment, but a bit of a weird one."

Let no man cross the rebel who wears the

NED KELLY SUCH IS LIFE RING

**Plated in gleaming
sterling silver**

Genuine Black Onyx

**Engraved with
"Such Is Life"**

Across the centuries, beyond the reach of the law, Ned Kelly calls to the rebel in every Aussie bloke who has ever been wronged. His fight: to uphold all that is true in his own heart. His enemy: a corrupt system determined to put him down. His weapon: the "Ned Kelly Such is Life Ring", a potent symbol imbued with the spirit of the Iron Warrior himself!

Each side is flanked by a dramatic sculpture of Ned Kelly in his famous armour

Precision crafted with a wealth of Ned Kelly icons

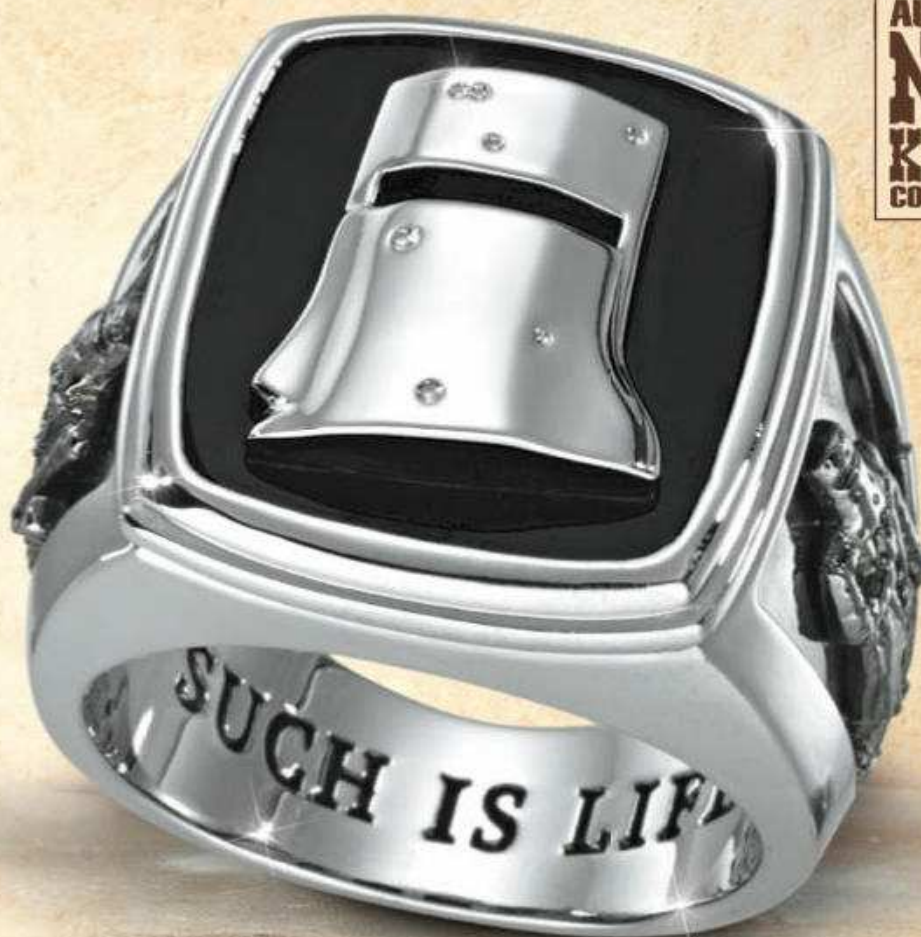

Expertly crafted by hand and plated in gleaming sterling silver, the ring features a magnificent sculptural rendering of Kelly's iconic helmet – bullet indentations and all. The helmet rises proudly up from a bed of pure black onyx, bringing a dramatically defiant edge to the exclusive design.

Each side is flanked by a full body sculpture of Kelly in his famous armour, guns at the ready to take on any man foolish enough to get in his way. The inner band is engraved with 'Such is Life', the last words Kelly spoke before the hangman's noose finished what the police could not.
